

Technical Textiles

Innovation, Technology, Application

5 December 2017
Volume 60

Leader

E 261 **Flame-retardant textiles in the NASA space programs** E. Orndoff

Industry News

- E 263 **Lenzing: +9.4% sales in the first 9 months of 2017**
- E 264 **Dornbirn-MFC: 100 expert lectures and comprehensive fringe program**
- E 264 **Asahi Kasei: capacity expansion for Lamous microfiber suede**
- E 265 **Techtextil India: debut Texprocess pavilion and business-oriented programs**
- E 265 **JEC Asia: successful event after relocation**
- E 266 **Avantex: focus on innovative fashion**
- E 266 **Groz-Beckert: The Fabric Year 2017**
- E 267 **VTT: Finnish smart clothing picks a new career path**
- E 267 **CCNY: smart fabric to neutralize nerve gas**
- E 268 **Porcher: acquisition of Interglas Technologies**
- E 268 **Faurecia: fuel cell tanks for electric vehicles**
- E 270-274 **Management**
- E 270 **Beaver/Mehler: partnership announced**
- E 271 **Autoneum: new plants in China**
- E 271 **Teijin Aramid: super wicking fabric**
- E 272 **Jumbo: AddiTex cooperative project**
- E 273 **Huntsman: new reactive inks for technical textiles**
- E 273 **HeiQ: more abrasion resistance, less fuzzing and pilling**
- E 274 **Wacker: expansion of production and R&D capacities in China**
- E 275 **Oerlikon: continued strong growth in Q3/2017**
- E 275 **Lectra: airbag cutting solution increases productivity by up to 20%**

Fibers/Yarns

- E 276 **Novel natural fibers for acoustic insulation products** S. Viju, G. Thilagavathi
- E 278 **Carbon fiber development: from polyethylene-based precursors to carbon fibers** A. De Palmenaer, M. Merke et al.
- E 280 **GOCarbonFibre 2017: positive outlook along the carbon fiber chain**

Technical Textiles

- E 281 **Light emitting textile structures serving as excitation source in full-flow filters for photo-catalytic air purification** T. Bahners, S. Opiolka, L. Prager, J.S. Gutmann et al.
- E 283 **Chitosan-manuka honey composite wound dressings** L. Sasikala, B. Dhurai, S. Sundaresan
- E 285 **Ultrasonically produced new abdominal swab (Herrmann Ultraschall/Bastos Viegas)**
- E 286 **Polyelectrolyte multilayers on textiles as a reservoir for cosmetic and pharmaceutical agents** M. Oberthür, J. Quadflieg, C. Wiegand et al.
- E 289 **Ski underwear for real time measuring of knee flexion during skiing** A. Hermann, S. Fischer et al.
- E 291 **Smart glove for industry (Workaround)**
- E 292 **Illuminated pajamas treat newborns** A. Six
- E 294 **flying tent: a versatile, wearable hammock tent (Campfire Outdoors)**

Nonwovens

- E 295 **Quality assurance for nonwovens products** K. PrahI
- 320/321 **Calender**
- E 296 **Company Index/Advertisers Index/Imprint**
