**Textile finishing**

Advanced reactive ternary combination .....361  
 Airflow dyeing house at Exim Knits .....56  
 Antimicrobial finish with silver .....254  
 Aspects in aftertreatment of PA microfiber and elastane composition .....250  
 Atmospheric NT-Jigger .....363  
 Carrier for dyeing aramid fibers.....147  
 Coloring wool with gold nanoparticles .....130  
 Complexing agents for optimizing textile wet processes .....371  
 Continuous dyeing of PET/Cel blends ...258  
 Decolorization of textile dyeing effluent using photo catalytic technique .....136  
 Demands on modern continuous dyeing machines.....264  
 Determining the effectiveness of washing agents with colored mineral oil .....60  
 Differentiation of nano-structured and conventionally water repellent textiles .....375  
 Digital printing of wool carpets .....135  
 Disperse dyes with high washing fastness for dyeing PET at lower temperatures .....257  
 Dyeing and printing of spunlace nonwovens .....300  
 Dyeing of PA fibers with ultra-high wet fastness .....62  
 Dyestuff ranges for PA fibers and wool ..58  
 Effect of nano silver application on antimicrobial finishing.....362  
 Enzymatic pre-treatment of flax fabrics 242  
 Experimental device for fabric water permeability determination.....140  
 Flexible antistatic system .....270  
 Formaldehyde-free pigment printing with Helizarin system.....378  
 Formation and destruction of foam in textile processes .....144  
 Full white bleaching for CO and CO/EL blends .....364  
 Garment dyeing as compared to fabric dyeing and their conformance .....256  
 Garment processing auxiliaries.....135  
 High-performance batcher .....267  
 iFlash: activated 80 °C bleach and innovative soaping .....238  
 Infrared dyeing machine .....249  
 Insect resist treatment for wool.....135  
 Integrated heat recovery system with new range oil-free compressors.....263  
 ITMA 2007: trends, highlights and visions for the textile finisher .....356  
 ITMA preview: textile finishing.....271-291  
 Market trends for flame-resistant fabrics .....143

Modern range concepts for optimized denim finishing process .....368  
 New dyeing unit .....130  
 New integrated coating solution .....267  
 Open width mercerizing of knitwear ....132  
 Practice report: finishing lines for woven fabrics.....268  
 Process-stable hydrophilic softener for textile finishing.....381  
 Product for denim processing .....387  
 Purification of textile wastewater by membrane filtration and re-use for dyeing .....148  
 Stand alone heat recovery option.....366  
 Stenter for technical textiles.....374  
 Strong expansion of digital textile printing .....128  
 Tessitura Monti: globalized quality .....126  
 Use of width adjusting devices in mercerization .....246

**Nonwovens**

After sales service .....68  
 Chemical fiber titer program for nonwovens 2007 (Western Europe) ...152  
 Company news .....69  
 Dyeing and printing of spunlace nonwovens .....300  
 Fine titer PET spunbonds .....69  
 Improvements made to nonwoven stitch-bonding machines.....302  
 ITMA preview: nonwovens.....304-306  
 Nonwovens Research Academy 2007 .....301  
 Recycled PET spunbonds .....69

**Textile Industry**

Carpet fiber shipments USA .....84  
 Chemical fiber production +5% .....74  
 Chemical fiber production Japan .....76  
 Chemical fiber production: strong expansion in China and India .....162  
 Company news 4, 6, 8, 9, 10, 12-19, 78, 84, 86, 88, 114, 168, 170, 172, 174, 176, 178, 316, 320, 322, 324, 326, 327  
 Confocal fluorescence microscopy of textiles .....382

Domotex 2007: the world carpet market .....80  
 Germany: synthetic fiber production ....167  
 Germany: textile machinery exports .....320  
 Global elastane (spandex) yarn production 340,000 tons .....166  
 Global fiber production 2006 .....6  
 Global market trends for industrial yarns .....168  
 Global textile fiber market trends.....314  
 Industry news .....4, 6, 8, 10, 12, 14, 16, 18, 19, 78, 84, 87, 168, 178, 316, 318, 320, 322, 324, 326  
 Internet-based machine maintenance and service .....386  
 Italian textile machinery workshop in China .....139  
 ITMA - the leading exhibition .....159  
 ITMA 2007 from the viewpoint of the machine manufacturer .....328  
 ITMA 2007 was a total success .....328  
 ITMA 2007: a complete success .....331  
 ITMA 2007: evaluation for the nonwovens industry .....332  
 ITMA 2007: more business than innovation .....311  
 ITMA 2007: review .....330  
 ITMA 2007: the place for innovation.....2  
 ITMA 2011 in Barcelona.....341  
 ITMA preview: textile technology.....292-299  
 Management .....88  
 New books for the fiber and textile industry.....18, 327  
 PP fiber market .....76  
 Structure of textile machinery worldwide trade .....180  
 Textile burst tester .....196  
 Textile machinery export market .....86  
 Textile machinery exports Germany.....85  
 Textile machinery exports Italy .....14  
 Textile machinery exports Japan .....88  
 Textile machinery made in Italy .....72
