Fibers / Yarns

Fibers specialties for technical textiles
Intelligent fibers: When damaged ropes change color
(C. Zogg, Empa, Dübendorf/Switzerland)
Godet rolls for drawing fibers to technical yarns
(Retech AG, Meisterschwanden/Switzerland)
Process shortening through integrated draw frame technology
(Trützschler GmbH, Mönchengladbach/Germany)

Technical Textiles

Postponement of the Techtexil and Texprocess
(M. Jänecke, Messe Frankfurt/Germany)
Innovative and interesting developments and innovations from institutes, universities etc. which were to be presented at the Techtexil
Lighter, more ecologically manufactured snowboard
(Chemnitz University of Technology, Chemnitz/Germany)
Textile-based solutions in architecture for a sustainable future
(U. Merklein, Ib M Consulting, Aachen/Germany)
Knitting roads (S. Zeller, Empa, Dübendorf/Switzerland)
Seamless round woven geotextiles (vombaur GmbH, Wuppertal/Germany)
Highly drapable scrim for composite components
(Gustav Gerster GmbH & Co. KG, Biberach/Germany)
Functionality and sustainability – no contradiction
(Daikin Industries Ltd., Osaka/Japan)
The finishing of textiles goes digital!
(T. Petzold, STFI e.V., Chemnitz/Germany)
Coating textiles sustainably with chitosan
(A. Weber, Fraunhofer IGB, Stuttgart/Germany)
New generation of textile calendaring for technical textiles
(Andritz Küsters GmbH, Krefeld/Germany)
Long-lasting antimicrobial textile finishing reduces infections and environmental impact (Sonovia Technology Ltd., Ramat Gan/Israel; Brückner Textile Technologies GmbH, Leonberg/Germany; Weber Ultrasonics AG, Karslbad/Germany)
Spray technology and antimicrobial prove sustainable powerhouse finishing combo (Baldwin Technology Company, St. Louis, MO/USA; Sciessent, Beverly, MA/USA)
Reusing protective clothing against droplet infections
(OHB System AG, Bremen; Krüss GmbH, Hamburg; Dastex Reinraumzubehör GmbH, Muggensturm/Germany)

TRENDGUIDE

Our answer to missing in-person trade fairs i.e. Techtexil and Texprocess

The TRENDGUIDE Technical Textiles – your innovation platform

NonwovensTRENDS

**The new bilingual trade journal nonwovensTRENDS
(together with Technical Textiles / Technische Textilien)**
